

# The Mount Olive Area Chamber of Commerce

◆ **What is the Chamber?** In place since 1930, the Mount Olive Area Chamber of Commerce is a voluntary organization of small businesses, local industries, individuals, civic clubs and churches who band together to advance the commercial, industrial, educational and civic interests of the community.

◆ **What does the Chamber do?** The Chamber identifies its program of work each year through its Annual Planning Session. The Chamber ultimately works to strengthen Mount Olive and the surrounding community as a whole. We seek to represent and aid our Chamber members in promoting their businesses, while also investing time and money towards making our community a better place to live.

◆ **How does the Chamber work?** Committees are the backbone of the Chamber and are the units that accomplish the Chamber's goals and objectives. The needs of the community determine the kinds and number of these action groups.

◆ **Who pays for the Chamber's work?** The Chamber is financed on a voluntary basis through its membership dues and other annual fundraising efforts. Chamber membership is an investment in the present and the future of the community.
